- Residence and available to work in Malaysia
- Availability to travel inside the country and near countries with possibility to spend nights outside and weekends

Additional Responsibilities:

- Organizes time to cover ongoing priorities and will make arrangements to cover whenever absence is unavoidable; understands that rewards are commensurate with effort and invests the time to get the job done; uses time efficiently during regularly scheduled hours so that extra hours are not inevitable, but is responsive to additional requirements or demands when necessary
- Increases sales with existing customers by stimulating the demand for currently purchased products and services; makes a proactive effort to build volume within established accounts by expanding the breadth of products purchased; monitors the potential for growth in volume by regularly tracking the purchasing history and spotting trends or problems in need of a solution; sees herself as responsible for facilitating the customer's reorder and replenishment process
- Focuses on sharing information in an exciting and memorable manner; prefers group presentations; focuses equally on preparing delivery and content; stages a formal presentation to promote a more intangible product or service; responds to audience cues and reactions by altering a prepared presentation as it progresses
- Uses strong personal identification with the product to influence others to promote and sell the product line; keeps the distributor fired up and committed to buying

into a program or plan; works with other salespeople to help them close the large or elusive deal; breaks up the selling cycle into small increments and sets goals for each step; maintains the pressure to move forward through each step without becoming too pushy or overbearing; proactively reinforces the purchase decision, recognizing the risk that a product or program can be supplanted by the competition.

- Demonstrates a commitment to the continuous education and training of others as a means of increasing their overall competency and productivity; prepares more structured sessions to cover the most critical areas of learning for the audience; stays on top of information needed by colleagues and customers in an effort to serve as a resource; takes responsibility for motivating others to learn and retain key information; reinforces what is being taught through periodic repetition; regularly assesses individual and group competencies and routinely addresses them by adjusting the training
- Understands the critical role joint calls play in the ongoing development of salespeople; commits to using joint sales calls as opportunities to share expertise; demonstrates effective techniques; observes progress and judges the effectiveness of assigned salespeople; is dedicated to providing backup and expertise to help salespeople secure a close; accepts a supporting role in the sales process and sets level of involvement in accordance with what the primary salesperson needs
- Develops a comprehensive knowledge of products and potential applications; understands that up-to-date knowledge is required to maintain credibility as a subject matter expert with distributors and end-users; acquires knowledge through sources of published information supplemented with personal internal and industry contacts; keeps current on product/service developments through more formal learning opportunities; assumes the role of resident expert and develops product knowledge for the purpose of serving as a resource to others
